

Information for New Cowboy Action Shooters

NEW COWBOY ACTION SHOOTERS ARE ALWAYS WELCOME!

We are a SASS® affiliated club so we follow SASS® rules. Go to their website to learn more. Their web site is a wealth of information. There you will find the rulebook, places to shoot, links to just about everything having to do with this sport and a whole lot more.

Feel free to visit the Yavapai Recreational League's web site or a any SASS® affiliated club near you to acquaint yourself with how we run a cowboy action shooting match. There are always plenty of cowboy action shooters on hand to help you get started and they are more than willing to help. You will want to pay special attention to the safety procedures during the match. The SASS® motto is: "SAFETY FIRST, LAST, AND ALWAYS"

You will find plenty of information by visiting some of the cowboy action shooting boards on the internet: sassnet.com/forums/index You will find that your fellow cowboy action shooters love to chew the fat and you can learn a whole lot from folks with first hand experience. See our links page for a list of board to visit.

We take pride in the safety record we have established and must insist that all shooters be proficient and above all safe when shooting with us. Keep in mind that we cannot teach you cowboy action shooting on the day of a scheduled shoot. Please DO NOT expect to shoot if it is your first time at a cowboy action shooting match. Cowboy action shooting is entirely different than other shooting disciplines. Instead, we invite you to visit us as a spectator in order to get a feel for our sport and to become familiar with the safety procedures. If you are not sure about something that you see or hear, we encourage you to ask questions. You will find that we love our sport and are more than willing to help you understand all that is going on around you.

Once you have an understanding of cowboy action shooting and are ready to join the fun, we ask that you attend in cowboy costume i.e. cowboy type boots, jeans, long sleeve shirt, and a cowboy type hat. Under no circumstances will we allow sneakers, shorts, torn pants, t-shirts, short sleeve shirts, ball caps or the like. It is just the way it is.

See the SASS® website for more information on costumes.
